Circulatory system

Transportation of nutrients

Recovery rate

Impact of drugs

Maths

Statistics

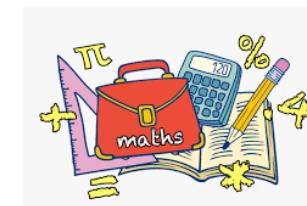

Position and Direction

Shape

Revision

Mathematical reasoning and problem solving

Homework will be targeting individual gaps in their knowledge.

Summer 1 Newsletter 2026

Year 6

We wanted to update/remind you about a few things you may need to know this term.

Reading – Reading for pleasure is the key to reading success, so reading any story to your child will be of huge benefit to them. Please continue to snuggle up and read together. **Don't forget to sign your child's reading record!**

PE – Our PE days are Tuesday and Friday (Tuesday and Thursday for 6H). Children should come to school on PE days dressed ready for PE (no hoodies on non-PE days please). We will always try to go out even in damp weather so children will need appropriate clothing every week.

Homework – Homework is set every Monday and is due in the following Monday. Reading, Maths (lbq), and SPAG (lbq).

SATs revision – Don't forget to use your CGP books to support your child to recap key learning ahead of their SATs this term.

General reminders – Please ensure your child has a coat and a spare set of trainers to change into when going on the field to avoid walking mud back into the school building. This is particularly important this term, as we will be using the field for Athletics.

Keep looking out for our Instagram posts to find out current school news!

Dates for your diary

Tuesday 28th April at 3:30 – Parent drop-in for Purbeck residential

Monday 11th – Thursday 14th May – SATs Week

Tuesday 19th - Friday 22nd May – Purbeck residential
