Bustling about

Chorus

Bustling about in Bethlehem, rushing to and fro

Always on the go!

Bustling about in Bethlehem, 'cause visitors are on their way!

Busy going upstairs, busy coming down.

Busy, busy innkeepers, all about the town

Busy sweeping floors and busy making beds

Busy plumping pillows for the travellers' weary heads!

Chorus

Busy keeping dogs out, busy chasing cats

Busy getting rid of those pesky little rats!

Busy mopping paw-prints, busy making clean

Every nook and cranny where an animal has been!
