Dozey Donkey

Chorus

Dozey donkey, dreaming of a stable

Tired old donkey, rest a while tonight

You have had a long day, now relax and eat hay!

You have travelled far and now you're feeling weary

You have had a long day, now relax and eat hay!

Take a break!

Have a rest! Time to sleep the night away

Chorus

You came by a long road, now it's time to unload

Mary's off your back and now you're feeling sleepy

You came by a long road, now it's time to unload

Catch your breath!

Take a nap! Time to sleep the night away

Chorus
