Grumpy Camels

Long, long, ago our journey began,
Mile after mile over desert sand,
Hardly the life of luxury
It's given us the hump and we're not happy

Chorus

Grumpy camels carrying the kings
Grumpy camels carrying the three kings
Grumpy camels carrying the kings
Grumpy camels carrying the kings

Why all the bundles? Why all the sacks?
Why all the boxes upon our backs?
Don't have a clue, we're at a loss
It's given us the hump and we're really cross

Chorus

Travelling westward led by a star
Night after night we've been pushed so far!
A long way from home and sleeping rough
It's given us the hump and we've had enough!

Chorus
