## Year 6

---

**We are looking forward to performing at the Young Voices 2025 concert at the O2 arena in London. The children are very excited and are practising their songs.**

**We wanted to update/remind you on a few things you may need to know this term.**

**Reading** – Reading for pleasure is the key to reading success, so reading any story to your child will be of huge benefit to them. Please continue to snuggle up and read together. **Don't forget to sign your child's reading record!**

**PE** – Our PE days are Tuesday and Friday (or Tuesday and Thursday for 6H). Children should come to school on PE days dressed ready for PE. We will always try to go out even in cold and damp weather so children will need appropriate clothing including spare trainers every week.

**Homework** – Homework is set every Monday and is due in the following Monday. Reading, Maths (LBQ), and one other per week.

**General reminders** – Please ensure your child has a coat and a spare set of trainers to change into when going on the field to avoid walking mud back into the school building.

**Keep looking out for our Instagram posts to find out current school news!**
